OMCs have been directed to take urgent steps to ensure adequate supply and availability of Diesel and Petrol at the Retail Outlets (ROs) across the country. OMCs have also been directed to take all necessary steps to build sufficient stocks of petroleum products at different locations in the country to take care of any unforeseen contingency including any temporary disruption in the movement of petroleum products.

OMCs have reported that they ensure the availability of petrol and diesel in the country at all times and are supplying petrol and diesel to the ROs as per indents. OMCs have also reported that they have not restricted/curtailed supply of petrol and diesel to their ROs any where in the country.

(d) Steps taken to improve domestic availability of products to meet demand include augmentation of production at existing refineries through expansion programmes and setting residue up gradation facilities and setting up of new grass-root refineries.
